Crimping head

The head rotates 270 degrees, making it easy to use in a variety of orientations.

Auto retract function

- The ram automatically retracts to its original position after completing the crimping operation, enhancing work efficiency.
- The On/Off setting of the auto retract function can be switched by turning the screw.

Die release knob

Die release pin

Release knob

To retract the ram manually, press the release knob.

LED job light

Single LED with afterglow function

Accessories

Hex. Die

Hexagonal (U-type) dies to crimp copper and aluminum terminals with the 12-ton crimper (Compatible with DIN46235)
